Recreation and Community Services Senior Program Staff!

Dear Participants, Volunteers and Colleagues,

The Los Altos Senior Program was created by and for the residents of Los Altos. From the beginning, staff together with many volunteers, community members/organizations and colleagues have assisted in carrying out the goals of the community by taking direction from first Los Altos Community Senior Coordinating Council and now the City of Los Altos. These staff members include Jane Gray, Barbara Menker, May Wang, Blondina Fister, Judie Sidebottom, Alice Putnam, Joe Karpantry, Pamela Reliford and Lydia Bernard. I have been honored to carry on their traditions, expand and implement new events and programming for the public age 50+ for nine years.

In mid to late August I will be taking on new responsibilities with the Los Altos Recreation and Community Services Department. I will be managing the City's Tiny Tot and Kinder Prep program and camps, Youth Theater, Egg Hunt, Gingerbread House Exhibit and the city gyms. This is a very exciting change for me. I will miss working with the participants, volunteers and staff of the Senior Program; however I am eager to start these new responsibilities surrounded by those who continue to support City of Los Altos Recreation and Community Services.

My office will be located in the Hillview Community Center, Room A but I will visit often and serve in an advisory capacity as needed. The Senior Program is at a very exciting moment in history and the direction of its services will be determined by all of you. There are many good things to come! Thank you to those part-time staff who I have had the pleasure of working with over the years (Nora Haley, Jan August, Jennifer Weiss, BJ Hathaway, Emily Ufheil-Somers, Nora Beltran, Carla Yonan, Nancy Callahan, Kathleen May, Irene Hatch, Kate Thornton, Cheri Anderson, Chris Penaranda, Joan Young, Kevin Low, and Gladys Castro).

Volunteers...so many...thank you! Sincerely, Candace Avina

Meet new Supervisor, Jaime Chew

Jaime is excited to join the City of Los Altos as a Recreation Supervisor! She has 19 years of recreation experience and most recently served as a Recreation Supervisor for the City of Milpitas for the past 7 years. She also served as a Program Coordinator for the City of Union City and a Physical Education Paraprofessional for the YMCA/Milpitas Unified School District.

She is a graduate of the University of California, San Diego (UCSD) with a Bachelor's Degree in General Biology, and she successfully completed the Santa Clara County Leadership Academy Program in 2011. She is also a current Instructor Trainer with the American Red Cross.

Jaime supervised the operations of the Barbara Lee Senior Center and the Sports Center for the City of Milpitas which assisted her in expanding her knowledge of the recreation profession. In addition, over the course of her recreation career, she has had the opportunity to coordinate and supervise: youth, teens, adults/seniors, summer camps, after school programs, preschool, contract classes, sports and fitness, athletic field allocations, marketing and sponsorship, facility rentals and aquatics.

In her spare time she enjoys baking/cooking, dancing and performing in local community musical productions, and spending time with her family—especially her 16 month old daughter Riley.

Jaime is looking forward to getting to know the Los Altos community!

Welcome New Staff!

Meet Kevin Low

Kevin Low is a San Jose Native. He has a BS in Recreation from San Jose State University. Along with the City of Los Altos,

he also works part-time for the City of San Jose, City of Mountain View, and City of Scotts Valley. In the past, he's worked jobs such as a lift operator at Heavenly Ski Resort and manager at a tattoo shop. He now looks forward to expanding his work experience with the Los Altos senior population.

Outside of work, he loves to be inspired by the energies of road tripping, skateboarding, snowboarding, reading, painting, and music events/festivals. Kevin doesn't have a long term career goal yet, but often thinks about working outdoors and experiencing other cities in the future.

Meet Gladys "Lita" Castro!

Gladys was born in Lima, Peru. She is a strong believer in the importance of sharing information about community resources, socializing, sharing time with others of common interests, doing what you like, and keeping positive thoughts and attitude.

Gladys studied General Education with a focus on Law in Peru at the University of San Luis Gonzaga. She received a Child Development Assistant Permit by the Commission of Teacher Credential (CTC), and later received an exemplary family childcare award and recognition by the Community and Government. She continues to pursue classes of personal growth when time permits. Gladys's goal is to dedicate her life to support others through recreational activities and community services to improve the public's quality of life. We are lucky to have Gladys on our team!

Grant Lounge will be **closed** on Monday, August 22 and 24 due to Grant Community Center and Park renovations and Senior Program Summer Break.

Recreation & Community Services and Scholarship Opportunity

Hello, Summer! Actually, we are well into our summer activities.

Concert Series

Bring a blanket or beach chair, a neighbor or two, perhaps a picnic dinner, and prepare to enjoy our beautiful parks and good music!

Classes

We have some newer classes this summer for you to check out: two Zentangle classes, an art class sometimes referred to as “yoga for your brain”, and Neuro Power, a class that suggests fun strategies to help stimulate nutrients for your brain. We also have many favorites returning in diverse areas such as art, dancing, fitness, yoga and tai chi.

Youngsters Visiting You?

If you have grandkids living in the area or visiting this summer, we have many, many camps for them. And, depending on if there are multiple siblings enrolling or if one child will be enrolling in multiple weeks, you might be eligible for a discount on their fees for certain camps. Inquire at the Recreation & Community Services front office.

For full info on all our programs, take a look at our summer Recreation Activity Guide. Copies are available in the Senior Center (at both Hillview and Grant sites) or online at LosAltosRecreation.org. Of course, if you have any questions just give us a call at (650) 947-2797 or stop by our offices at 97 Hillview Ave, Room 10! We are happy to help!

Age-Friendly Survey, Bridge and Mah-Jongg

Your input is needed!

World Health Organization (WHO) has created a template to help communities meet the challenge of transforming our streets, services, parks and playgrounds— and our attitudes and feelings— to support the growing population of elderly people. For the first time ever, older people outnumber the young in the US; and by 2030, one in four Santa Clara County residents will be over the age of 60. A county-wide effort is being led by the Seniors' Agenda of Santa Clara County, Department of Aging and Adult Services and Center for Age-Friendly Excellence in Los Altos, to assist all 15 cities in Santa Clara County to achieve designation by the World Health Organization as an Age-Friendly city. The City of Los Altos became an Age-Friendly city in 2011. Follow-up reports will be conducted this year.

Santa Clara County Livability Survey: Santa Clara County Department of Public Health is conducting an evidence-based county wide survey of seniors' needs to inform each of our cities of the opinions, needs and challenges of older adults. The survey is based on the Livable Communities survey of AARP. Fill out the survey online at surveymonkey.com/r/AgeFriendlyEnglish or make an appointment with a volunteer to fill out the survey.
